The screenshot shows a web browser window with the address bar displaying a URL ending in "/location.php". The browser's menu bar includes File, Edit, View, Favorites, Search, McAfee SiteAdvisor, Bookmarks, Settings, Mail, My Yahoo!, Answers, and Games. The browser toolbar shows icons for home, back, forward, print, and page settings. The page content features the SNAP logo on the left and a header for "Taylor, Margaret" with the text "e 2007 Skills and Concepts" and "INSTRUCTOR" with links for "Back | Log Out | Help". Below the header is a navigation bar with "SNAP" and "Alternate file location". The main heading is "Create location". A "New course" form is displayed with the following fields: "Location nickname\*" (highlighted by a red box and a blue arrow labeled "Step 4"), "Use this" (checked), and "Browse to \snap and select 'pickme' (Max size: 15MB)\*" with a "Browse..." button. At the bottom of the form are "Save changes" and "Cancel" buttons. A message at the bottom right of the form states "There are required fields in this form marked\*.". Below the form is a "Back to Locations" button. A footer contains links for "Instructor User's Guide", "Student User's Guide", "FAQ", "Help", "Support", "Copyright", and "Privacy Policy". Below these links is the text "You are logged in as Margaret Taylor (Logout)". The SNAP logo is centered at the bottom of the page. The browser's status bar shows "Done" and the Windows taskbar at the bottom displays the start button, open windows for "Taylor, Margaret - O...", "Create location - Win...", and "Document1 - Microsof...", along with the system clock showing "2:31 PM".
